BE A DETECTIVE

The Ant and the Grasshopper

Mission:

Read the story below. Can you predict what will happen next?

Once there was an ant and a grasshopper who lived in a field.

Every day, Ant got up early and walked far to gather seeds. She balanced one seed on her head at a time, walked it back to her home, and then went again to the field to gather more. She was very small, so the walk was very long. She worked the whole day, without ever stopping to rest.

As Ant worked, Grasshopper spent his days playing music, lazing in the sun. "Why do you work so hard, Ant?" he laughed. "Summer is here! Why waste the sunshine gathering seeds."

What do you think Ant will do?

HOW To DRAW

Drawing an object begins with some basic shapes. Look around and you'll see them in everything.

Squares,
Rectangles &
Cubes

Circles,
Ovals, &
Spheres

Triangles,
Cones &
Pyramids

Use the shapes to
draw anything, like
this house.

Let's Draw a Dog!

Start your drawing with very light pencil lines and darken them later.

Step 1: Draw a circle for the head. Put an oval over the circle for the muzzle. Use two curved lines as the neck.

Step 2: Use ovals for the eyes. Add an oval for the nose. Place two ovals above the head to start the ears. Add a curved line for the mouth.

Step 3: Attach the ear ovals to the head with a line. Add an oval to the mouth for the tongue. Put a line down the center of the tongue. Add a large oval around one eye for a cool doggy spot!

Now you have your drawing. Darken the lines you want to keep and gently erase any you don't want. Your dog is ready to be colored.

Famous Olympic Athletes

Jesse Owens

Jesse Owens in the 1936 Olympics in Berlin, Germany

Born in 1913 in Alabama, Jesse Owens' family moved to Ohio when he was young. He began running in junior high school. In high school, Jesse tied the world record for the 100 yard dash and the long jump.

Jesse attended Ohio State University. He was a track and field star there. In one meet in 1935 he broke three world records and tied another.

During the 1936 Olympics in Germany, Jesse won four gold medals. He broke the Olympic record for the 100 meters and broke the world record for the 200 meters. The 4x100 meters relay team, which included Jesse, also broke the world record.

Jesse's wins in 1936 also proved to the world that African American athletes could compete and win against the best in the world. German leader Adolf Hitler and his Nazi Party had wanted the Olympics to show that white German athletes were better than everyone else. Jesse and his teammates proved this wrong.
